Only...  
I failed to wash  
the clothes before  
going out to  
see Joon-ah

...Then again,  
washing right  
now...

Hello~

The Hangeul  
to come out now

Again,  
who are you?

Who are you?

I am  
Joon-ah's  
sister, Lee  
Jin

Hello-  
I am  
Joon-ah's

Sister  
Jin

Let's go out  
for ice cream

How  
do I know ice  
cream is  
there?

Let's go  
Let's go  
Let's go~

Can't be done  
But still, Jin,  
how did  
you know  
my home  
number?

I'm coming with  
my motorcycle in  
a while, don't  
go anywhere!

No,  
you  
can't!

Count down  
500 seconds,  
start—!

He couldn't  
possibly know  
my home address  
too.

Gary,  
thePunk-

Hi there!

Just in—

Hi, Gary!

Justine is hanging  
a ribbon curtain  
around the door.

What do you want to eat?

Ice cream—

It's an ice cream machine, isn't it?

Don't be greedy!

Hehe

Don't

Don't be like that, Harukuni is here.

Don't

What are you making about? You don't mind eating, Harukuni?

In a hurry

See, Harukuni doesn't mind now, quick! Ah—

For you

For you

For you  
For you  
For you

Harukuni  
Quick, drink water!

Er— So sorry, Natalie.  
(Killing that poor  
and innocent)

Oh right,  
the plan.

Maybe you're right, Natalie.  
Someday after this  
when you're older and  
more powerful and  
free to go on the  
journey.

I know what he  
wondered about  
a third time  
back then.

On  
again.

Let's do  
things that  
are  
different  
anymore.

After this I  
do nothing...

Let's go  
to a  
Newland  
house.

It's quiet  
at night.

I'm going  
to the  
reception.

Ah, no  
refraining.

Oh,  
Dante.

You shouldn't  
smoke in a bed  
for your  
health.

How did you  
become like  
that?

Let  
them  
know.

You're  
still  
the  
same.

Yes, I'm  
still  
the same.

I'm  
happy to try  
something  
new, but  
I'm not  
sure I can  
do it.

Then you should hurry  
more about  
my friends.

Oh, Denise  
didn't wait  
at school.

Yes, she's  
doing  
fine.

Handkum!

go into the  
bathroom for  
a while.

Denise:

What are you  
here and  
not singing?

Handkum  
here!

What are you  
doing here?

You seem still  
Handkum  
here.

No.

Handkum,  
where is she?

I don't  
know.

I asked you  
where is she  
you had went  
together!

That's  
enough!

Where?

I said, that's enough  
Denise, who are you  
becoming and who,  
Handkum is our  
friend, she's our  
friend.

Our friends! Do  
you really like it  
your girlfriend  
and who is  
your friend?

Your girlfriend is  
a friend, a friend  
is a friend, so  
everyone is your  
friend, right?

Heh, yeah, Kim  
Dae-han, you have  
a lot of friends!

You, Joon-ah

Lately you've  
been acting very  
strange. Did you  
know that?

Homeland,  
and you  
will share!

Oh

Sorry,  
Joon-ah  
didn't  
mean to  
be late  
then.

No,  
the  
time,  
right?

Sorry,  
Hanyoung

TaeSung!

Why are you still waiting for me, if the rain here you should have left

I wanted to see Hana

Then you should have asked where there was others (look at person) now, asking me.

Where did you go —  
I waited for you,  
for so long —

I only wanted  
to see you

Someday when  
you are in high

The man  
smiled  
and said

You have no  
right to get  
that straight

What  
do you

Ugh, huh...  
He's only 18 years  
old. How can  
he drive a car?  
Look, look!

Oh, then, the  
reaction is  
sharp that car.  
It's nothing
